

COVID-19 SAFETY MEASURE FOR SITKA STAGE & SCREEN

Before you can attend classes, headshot sessions or coaching lessons with us we ask that you screen yourself with the following:

1. You are abiding by the Quarantine Act & The Emergency Act of B.C. (Canada)
2. You are not sick or showing signs of Covid-19/Flu/Cold (fever, cough, cold symptoms etc.)
3. Please make sure anything you bring to the studio has been freshly washed and sanitized.
4. If you need to cough or sneeze at any time while at our studio please cover up properly with your elbow/arm and then wash your hands immediately.
5. These precautionary health measures apply to all staff as well.

FOR YOUR PROTECTION:

1. Classes will be limited to 8 participants and 1 teacher to allow comfortable space for everyone
2. The studio will be cleaned and sanitized on a regular schedule with special attention to all surfaces including door knobs, railings, chairs, coat racks, wardrobe racks, countertops etc.
3. Staff and students will be encouraged to wash their hands many times throughout class and we will ask that as soon as you enter to please wash your hands immediately in our washroom for at least 20 seconds and dry them off with a paper towel.
4. The studio team will provide hand sanitizer and sanitizing soap.
5. If we can have class outside (weather permitting) we will take advantage of that as much as possible to limit our exposure in a small area
6. Each student must come with their own pens and pencils as we won't be sharing any tools during class.

As Provincial Health Orders change we will be abiding by them and updating our policies accordingly.

We will be staying informed using the resources below and ask that you do the same:
